DIAGNOSTIC SERVICES

OUR PRACTICE PROVIDES COMPREHENSIVE EYE CARE SERVICES FOR ALL AGES, INCLUDING THE PEDIATRIC AND GERIATRIC POPULATION.

A COMMITMENT TO PROVIDE THE BEST CARE POSSIBLE INCLUDES ROUTINE USE OF DIAGNOSTIC PHARMACEUTICALS, UP-TO-DATE EXAMINATION EQUIPMENT AND AMPLE TIME FOR THOROUGH EVALUATION.

PRESERVING OPTIMAL VISION AND ENSURING EYE HEALTH IS A PRIORITY IN THE CARE OF OUR SENIORS AND PATIENTS WITH DIABETES, GLAUCOMA AND AGE-RELATED MACULAR DEGENERATION.

PEDIATRIC CARE, INVOLVING VISUAL PERCEPTUAL ASSESSMENT WHERE APPROPRIATE, IS AN AREA OF SPECIAL INTEREST. WE AIM TO PROVIDE A CHILD-FRIENDLY ENVIRONMENT AND EXAM PROTOCOL.

WE ARE VERY EXPERIENCED IN PROVIDING LASER VISION CORRECTION ASSESSMENT AND CO-MANAGEMENT.

WE STRONGLY BELIEVE IN THE VALUE OF ONGOING COMPREHENSIVE CARE, TAILORED TO THE INDIVIDUAL, TAKING INTO ACCOUNT PERSONAL AND FAMILY HISTORY, AGE, AND OCCUPATION, AMONG OTHER FACTORS.

DISPENSING SERVICES

OUR PRACTICE MAINTAINS A DISPENSARY PROVIDING QUALITY EYEWEAR IN ELEGANT STYLES FOR MEN, WOMEN, AND CHILDREN, AND SUNGLASSES FOR ALL AGES.

ACCORDING TO REGULATORY GUIDELINES, ALL MATERIALS ARE PROVIDED TO THE PATIENT 'AT COST', WITH A PROFESSIONAL FEE (MUCH LIKE THAT EMPLOYED AT THE PHARMACY) APPLICABLE DEPENDING UPON THE COMPLEXITY OF THE EYEWEAR DISPENSED. OUR DISPENSING FEES ARE SET WELL BELOW THE SUGGESTED LEVELS, AND A NUMBER OF SPECIAL PACKAGES ARE AVAILABLE TO ASSIST OUR PATIENTS IN OBTAINING QUALITY, YET AFFORDABLE, MATERIALS.

CONTACT LENS CARE FORMS AN IMPORTANT PART OF OUR PRACTICE, RANGING FROM CONTINUOUS WEAR LENSES TO SPECIALTY FITTING FOR MULTIFOCAL, ASTIGMATIC, AND POST-SURGICAL APPLICATIONS.

WE ALSO PROVIDE A NUMBER OF OPHTHALMIC PRODUCTS, INCLUDING ANTIBIOTICS, DRY EYE/REWETTING SOLUTIONS, OCULAR VITAMINS, AND CONTACT LENS CARE SYSTEMS FOR THE CONVENIENCE OF OUR PATIENTS.
